ARTICLE II

PURPOSE AND SCOPE

Section 2.1. Purpose of Compliance Procedure.

(a) Authority's Use of Tax-Exempt Bonds. The Authority issues Tax-Exempt Bonds and loans or otherwise makes the proceeds available to Conduit Users to fund Costs of a Project Facility. The Authority understands that, in exchange for the right to issue Tax-Exempt Bonds at favorable interest rates and terms, the Code and Regulations impose ongoing requirements related to the proceeds of the Tax-Exempt Bonds and the Project Facility financed by the Tax-Exempt Bonds. These requirements focus on the investment, use and expenditure of proceeds of the Tax-Exempt Bonds and related funds as well as restrictions on the use of the Project Facility.

(b) IRS Recommends Separate Written Procedures. The Authority recognizes that the IRS has stated that all issuers of Tax-Exempt Bonds should have separate written procedures regarding ongoing compliance with the federal tax requirements for Tax-Exempt Bonds.

(c) Continuing Disclosure Undertaking. The Authority does not anticipate that it will ever be an "obligated person" under any Continuing Disclosure Undertaking. The Conduit Users are required under Continuing Disclosure Undertakings to provide disclosures of certain financial information and operating data and to file notices of certain material events to the marketplace to facilitate informed secondary market trading in Tax-Exempt Bonds issued by the Authority for the benefit of the Conduit User.

(d) Authority Commitment. The Authority is committed to full compliance with the federal tax and securities law requirements for all of its outstanding and future Tax-Exempt Bonds. This Compliance Procedure is adopted by the Authority to comply with the IRS and Securities and Exchange Commission directives and to improve tax and securities law compliance and documentation. As the Conduit User for the Tax-Exempt Bonds is primarily responsible for the expenditure and investment of proceeds of the Authority's Tax-Exempt Bonds, the use of the Financed Assets and the Project Facility, and disclosure of information related to the Tax-Exempt Bonds, this Compliance Procedure provides that the Conduit User will assume substantially all obligations related to post-issuance compliance for Tax-Exempt Bonds issued for its benefit.

Section 2.2. Scope of Compliance Procedure; Conflicts.

(a) This Compliance Procedure applies to all Tax-Exempt Bonds currently outstanding and all Tax-Exempt Bonds issued in the future. If the provisions of this Compliance Procedure conflict with a Tax Compliance Agreement, the Continuing Disclosure Undertaking or any other specific written instructions of Bond Counsel, the terms of the Tax Compliance Agreement, Continuing Disclosure Undertaking or specific written instructions of Bond Counsel will supersede and govern in lieu of this Compliance Procedure. Any exception to this Compliance Procedure required by Bond Counsel as part of a future issue of Tax-Exempt Bonds will be incorporated in the Tax Compliance Agreement for the future issue. Any requirements imposed on the Authority in the Tax Compliance Agreement, will be noted by the Bond Compliance Officer and incorporated into the Annual Compliance Checklist. The Authority acknowledges that the Continuing Disclosure Undertaking by a Conduit User may also apply to one or more issues of taxable securities issued by the Authority on behalf of the Conduit User.

(b) This Compliance Procedure is limited to tax matters. The Authority does not anticipate that it will ever be an “obligated person” under SEC Rule 15c2-12 or be required to enter into a continuing disclosure undertaking with respect to that Rule.

Section 2.3. Amendments and Publication of Compliance Procedure. This Compliance Procedure may be amended from time-to-time by the Authority. Copies of this Compliance Procedure and any amendments will be included in the permanent records of the Authority.

ARTICLE III

BOND COMPLIANCE OFFICER; TRAINING

Section 3.1. Bond Compliance Officer Duties. The Bond Compliance Officer is responsible for implementing this Compliance Procedure. The Bond Compliance Officer will work with the Conduit User Bond Compliance Officer and the Trustee to assist in implementing this Compliance Procedure. The Bond Compliance Officer will consult with Bond Counsel, legal counsel to the Authority, accountants, tax return preparers and other outside experts to the extent necessary to carry out the purposes of this Compliance Procedure. The Bond Compliance Officer will report to the Authority as necessary, and at least annually, regarding implementation of this Compliance Procedure and any recommended changes or amendments to this Compliance Procedure.

Section 3.2. Training.

(a) Training Programs. When appropriate, the Bond Compliance Officer and/or other employees of the Authority under the direction of the Bond Compliance Officer will attend training programs offered by the IRS or other industry professionals regarding Tax-Exempt Bonds that are relevant to the Authority.

(b) Change in Bond Compliance Officer. Any time an individual acting as the Bond Compliance Officer passes the responsibilities for carrying out the provisions of this Compliance Procedure to another individual, the Authority will ensure the incoming individual acting as Bond Compliance Officer is trained on how to implement the policies and procedures included in this Compliance Procedure to ensure the Authority’s continued compliance with the provisions of this Compliance Procedure and all Tax Compliance Agreements for any outstanding Tax-Exempt Bonds.

ARTICLE IV

TAX-EXEMPT BONDS CURRENTLY OUTSTANDING

Section 4.1. Tax-Exempt Bonds Covered by Article IV Procedures. This Article IV applies to all Tax-Exempt Bonds issued prior to the date of this Compliance Procedure that are currently outstanding. These Tax-Exempt Bonds are listed on **Exhibit 1**.

Section 4.2. Tax-Exempt Bond File. As soon as practical, the Bond Compliance Officer will attempt to assemble as much of the Tax-Exempt Bond File as is available for the Tax-Exempt Bonds listed on **Exhibit 1**.

Section 4.3. Conduit User Contact. As soon as practical the Bond Compliance Officer will send to the Conduit User of the Tax-Exempt Bonds listed on **Exhibit 1**, a copy of the Tax Compliance

Agreement for the financing along with a letter reminding the Conduit User that under the agreement it is responsible for post-issuance tax compliance related to the investment of Bond Restricted Funds, record keeping, use of Tax-Exempt Bond proceeds, and use of the Project Facility. The letter will contain a list of records comprising the Tax-Exempt Bond File that the Conduit User should retain for the applicable Tax-Exempt Bonds.

Section 4.4. Annual Certification. As soon as practical following the adoption of this Compliance Procedure, the Bond Compliance Officer will request each Conduit User to confirm annually in writing its compliance with the terms of the Tax Compliance Agreement for the Tax-Exempt Bonds. Where possible, the Bond Compliance Officer will combine this certification request with other disclosures the Conduit User regularly provides to the Trustee (such as ongoing continuing disclosure). Certifications completed by the Conduit User will be retained by the Bond Compliance Officer.

Section 4.5. Correcting Prior Deficiencies in Compliance. In the event a Conduit User informs the Bond Compliance Officer of a deficiency in compliance with a Tax Compliance Agreement for an outstanding Tax-Exempt Bond listed on **Exhibit 1**, the Bond Compliance Officer will consult with Bond Counsel and, as necessary, direct the Conduit User to follow the procedures described in the Regulations or the Tax-Exempt Bonds Voluntary Closing Agreement Program (VCAP) to remediate the noncompliance. If remediation of the noncompliance requires the Authority to submit a request under VCAP, the Bond Compliance Officer will undertake this step only after reporting the violation to the Authority and obtaining its approval.

ARTICLE V

COMPLIANCE PROCEDURE FOR NEW TAX-EXEMPT BOND ISSUES

Section 5.1. Application. This Article V applies to Tax-Exempt Bonds issued on or after the date of this Compliance Procedure.

Section 5.2. Prior to Issuance of Tax-Exempt Bonds.

(a) Intent Resolution. The Authority will authorize and approve the issuance of Tax-Exempt Bonds. Prior to or as a part of the authorizing resolution or ordinance, the Authority may adopt an Intent Resolution. The Bond Compliance Officer will provide the Conduit User with a copy of this Compliance Procedure prior to adoption of the Intent Resolution.

(b) Directions to Bond Counsel. The Bond Compliance Officer will provide a copy of this Compliance Procedure to Bond Counsel with directions for Bond Counsel to structure the documentation and procedural steps taken prior to issuing the Tax-Exempt Bonds so that they conform to the requirements of this Compliance Procedure, except to the extent Bond Counsel determines that different procedures are required. The Bond Compliance Officer will consult with Bond Counsel so that appropriate provisions are made to fund or reimburse the Authority's costs and expenses incurred to implement this Compliance Procedure. To the extent the Authority relies on or acts at the direction of the Conduit User, the Tax Compliance Agreement will contain appropriate provision for Authority indemnification by the Conduit User.

(c) Tax Compliance Agreement. For each issuance of Tax-Exempt Bonds, a Tax Compliance Agreement will be signed by the Conduit User Bond Compliance Officer or other duly authorized officer of the Conduit User. The Tax Compliance Agreement will (1) describe the Project Facility and the anticipated Financed Assets, (2) identify all Bond Restricted Funds and provide for

arbitrage and rebate compliance by the Conduit User, (3) for new money financings, require the Conduit User to complete a Final Written Allocation, and (4) contain a form of the Annual Compliance Checklist for the Tax-Exempt Bonds. The Conduit User Bond Compliance Officer will confer with Bond Counsel, the Bond Compliance Officer and the Authority's counsel regarding the meaning and scope of each representation and covenant contained in the Tax Compliance Agreement.

(d) Preliminary Cost Allocations. For each issuance of Tax-Exempt Bonds, the Conduit User Bond Compliance Officer in consultation with Bond Counsel, will prepare a preliminary cost allocation plan for the Project Facility. The preliminary cost allocation plan will identify the assets and expected costs for the Project Facility, and when necessary, will break-out the portions of Costs that are expected to be financed with proceeds of the Tax-Exempt Bonds (the "Financed Assets") and the portions, if any, expected to be financed from other sources.

(e) Tax Review with Bond Counsel. Prior to the sale of Tax-Exempt Bonds, the Bond Compliance Officer, Conduit User Bond Compliance Officer and Bond Counsel will review this Compliance Procedure together with the draft Tax Compliance Agreement to ensure that any tax compliance issues in the new financing are adequately addressed by this Compliance Procedure and/or the Tax Compliance Agreement. If Bond Counsel determines that this Compliance Procedure conflicts with the Tax Compliance Agreement, or must be supplemented to account for special issues or requirements for the Tax-Exempt Bonds, the Bond Compliance Officer will ask Bond Counsel to include the written modifications or additions in the final Tax Compliance Agreement. The Bond Compliance Officer will request Bond Counsel to prepare a form of Annual Compliance Checklist for use in monitoring the ongoing compliance requirements for the Tax-Exempt Bonds.

Section 5.3. Accounting and Recordkeeping.

(a) Accounting for New Money Projects. The Conduit User Bond Compliance Officer will be responsible for accounting for the investment and allocation of proceeds of the Tax-Exempt Bonds. The Conduit User Bond Compliance Officer will establish separate accounts or subaccounts to record expenditures for Costs of the Project Facility. The Conduit User Bond Compliance Officer may use accounts established pursuant to a trust indenture for the Tax-Exempt Bonds to assist it in accounting for the investment and expenditure of Tax-Exempt Bonds. In recording Costs for the Project Facility, the Conduit User Bond Compliance Officer will ensure that the accounting system will include the following information: (1) identity of person or business paid, along with any other available narrative description of the purpose for the payment, (2) date of payment, (3) amount paid, and (4) invoice number or other identifying reference.

(b) Accounting for Refunded Bonds and Related Refunded Bond Accounts. For Tax-Exempt Bonds that are issued to refund prior Tax-Exempt Bonds, the Tax Compliance Agreement will set out special accounting and allocation procedures for the proceeds of the financing, and if necessary proceeds of the refinanced Tax-Exempt Bonds.

(c) Tax-Exempt Bond File. The Conduit User Bond Compliance Officer will be responsible for assembling and maintaining the Tax-Exempt Bond File. The Conduit User Bond Compliance Officer will provide copies to the Authority of items contained in the Tax-Exempt Bond File upon request. The Annual Reports, other reports and notices of certain material events filed by the Conduit User with the MSRB will be publicly available on EMMA and need not be separately maintained in the Tax-Exempt Bond File.

Section 5.4. Final Allocation of Bond Proceeds.

(a) Preparation of Final Written Allocation; Timing. The Conduit User Bond Compliance Officer is responsible for making a written allocation of proceeds of Tax-Exempt Bonds to expenditures and identifying the Financed Assets. This process will be memorialized in the Final Written Allocation. For a new money financing, the Conduit User Bond Compliance Officer will commence this process as of the earliest of (1) the requisition of all Tax-Exempt Bond proceeds from any segregated Tax-Exempt Bond funded account, (2) the date the Project Facility has been substantially completed or (3) four and one-half years following the issue date of the Tax-Exempt Bonds. For Tax-Exempt Bonds issued only to refund a prior issue of Tax-Exempt Bonds, the Conduit User Bond Compliance Officer will work with Bond Counsel to prepare and/or document the Final Written Allocation for the Project Facility financed by the refunded Tax-Exempt Bonds and include it in the Tax Compliance Agreement.

(b) Contents and Procedure. The Conduit User Bond Compliance Officer will consult the Tax Compliance Agreement and, if necessary, contact Bond Counsel to seek advice regarding any special allocation of Tax-Exempt Bond proceeds and other money of the Conduit User to the Costs of the Project Facility. If no special allocation is required or recommended, the Conduit User Bond Compliance Officer will allocate Costs of the Project Facility to the proceeds of the Tax-Exempt Bonds in accordance with the Conduit User's accounting records. Each Final Written Allocation will contain the following: (1) a reconciliation of the actual sources and uses to Costs of the Project Facility, (2) the percentage of the cost of the Project Facility financed with proceeds of the Tax-Exempt Bonds (sale proceeds plus any investment earnings on those sale proceeds), (3) the Project Facility's Placed in Service date, (4) the estimated economic useful life of the Project Facility, and (5) any special procedures to be followed in completing the Annual Compliance Checklist (e.g., limiting the Annual Compliance Checklist to specific areas of the Project Facility that the Final Written Allocation or the Tax Compliance Agreement treats as having been financed by Tax-Exempt Bonds).

(c) Finalize Annual Compliance Checklist. As part of the preparation of the Final Written Allocation, the Conduit User Bond Compliance Officer will update the draft Annual Compliance Checklist contained in the relevant Tax Compliance Agreement. The Conduit User Bond Compliance Officer will include reminders for all subsequent arbitrage rebate computations required for the Tax-Exempt Bonds in the Annual Compliance Checklist.

(d) Review of Final Written Allocation and Annual Compliance Checklist. Each Final Written Allocation and Annual Compliance Checklist will be reviewed by legal counsel to the Conduit User or Bond Counsel for sufficiency and compliance with the Tax Compliance Agreement and this Compliance Procedure. Following the completion of the review, the Conduit User Bond Compliance Officer will execute the Final Written Allocation.

(e) Conduit User Certification of Compliance. The Conduit User Bond Compliance Officer will certify in writing to the Trustee completion of its responsibilities under this **Section 5.4**.

ARTICLE VI

ONGOING MONITORING PROCEDURES

Section 6.1. Annual Compliance Checklist. An Annual Compliance Checklist will be completed by the Conduit User Bond Compliance Officer each year following completion of the Final Written Allocation. Each Annual Compliance Checklist will be designed and completed for the purpose of identifying potential noncompliance with the terms of the Tax Compliance Agreement or this

Compliance Procedure and obtaining documents (such as investment records, arbitrage calculations, or other documentation for the Project Facility) that are required to be incorporated in the Tax-Exempt Bond File. The Conduit User Bond Compliance Officer will refer any responses indicating a violation of the terms of the Tax Compliance Agreement to legal counsel to the Conduit User or Bond Counsel and, if recommended by counsel, will follow the procedure set out in **Section 4.5** hereof to remediate the non-compliance.

Section 6.2. Arbitrage and Rebate Compliance. The Conduit User Bond Compliance Officer will monitor the investment of Bond Restricted Funds and provide investment records to the Rebate Analyst on a timely basis. The Bond Compliance Officer will follow the directions of the Rebate Analyst with respect to the preparation of and the timing of rebate or yield reduction computations.

ARTICLE VII

Section 7.1. Periodic Disclosure Filings. For each issuance of Tax-Exempt Bonds, the Conduit User Bond Compliance Officer will review the Continuing Disclosure Undertaking to determine the financial information and operating data required to be included in the Conduit User's Annual Report to be filed by the Conduit User with the MSRB on EMMA. The Conduit User Bond Compliance Officer will cause the Annual Report and any required monthly or quarterly reports to be filed with the MSRB on EMMA within the time limits provided in the Continuing Disclosure Undertaking for the Tax-Exempt Bonds.

Section 7.2. Material Event Disclosure Filings. For each outstanding issue of Tax-Exempt Bonds, the Conduit User Bond Compliance Officer will review the Continuing Disclosure Undertaking to determine the "material events" that require prompt notice to be filed with the MSRB. - agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (14) appointment of a successor or additional trustee or the change of name of the trustee, if material.

After obtaining actual knowledge of the occurrence of any event that the Conduit User Bond Compliance Officer believes may constitute an event requiring disclosure, the Conduit User Bond Compliance Officer will contact the Conduit User's chief financial officer or other appropriate officer of the Conduit User and counsel to the Conduit User to determine if notice of the event is required to be given to the MSRB under the Continuing Disclosure Undertaking. If it is determined that notice should be provided to the MSRB or is required to be provided to the MSRB by the Continuing Disclosure Undertaking, the Conduit User Bond Compliance Officer will cause the appropriate notice to be filed with the MSRB on EMMA within 10 business days after the occurrence of the event or as otherwise directed by counsel to the Conduit User.
